Welcome to Day 3! Today we welcomed a special guest here at VBS, a Traveling Vet! We learned all about Veterinary care and what it takes to care for all kinds of animals. This year our VBS is excited to announce that our outreach project will be to raise money for **Guiding Eyes For the Blind!** This is an amazing organization that helps to breed, raise and train dogs for the blind and Therapy Dogs that help children with Autism and other disabilities. Please send in your monetary donations with your child by Friday morning, so that on Friday, we can give all donations to Guiding Eyes when they are our guests at VBS!

GOLDIE IS OUR BIBLE BUDDY TODAY! GOLDIE IS A FISH THAT LIVES VERY SAFELY IN HER TANK AND IS ALWAYS PROTECTED BY GOD'S LOVE! WE WERE SO EXCITED TO SEE HER, FEED HER AND WATCH HER SWIM IN HER TANK!
